You know the dilemma — you really want a dual-voltage generator, but you can't justify paying the premium price. Well, now you don't have to sacrifice the convenience of running both 120 and 240 volts — the solution is the new Yamaha YG4000D generator. It delivers everything you want in a generator — high power output and quiet operation, all in a compact package. That makes the YG4000D perfect to use on the job site — it can power a wide range of tools. For example, it's got plenty of power to run two worm drive saws and a three-quarter-inch drill — all at the same time. And like all Yamaha generators, the YG4000D is fuel-efficient and very reliable.

FEATURE	BENEFIT
• Dual voltage	• Enhanced versatility
• OHV engine (overhead valve)	• Improved efficiency • Increased reliability • Quieter operation
• New combustion chamber design	• Improves power output • Improves efficiency
• Cast iron cylinder lining	• Provides consistent performance during continuous use
• Brushless alternator	• No maintenance • Years of worry-free service
• Oil Watch warning system	• Prevents engine damage • Avoid costly repairs • Minimizes down time • Provides added peace of mind • Enhances long-term durability
• Transistor Controlled Ignition (T.C.I.)	• Ensures fast, easy starting • Reliable operation • Maintenance free
• Noise Suppressor	• Added convenience
• Auto Decompression	• Effortless manual starting
• Economy idle	• Improved fuel efficiency • Quieter operation
• USFS-approved Spark Arrestor	• Reduces chance of fires caused by an errant spark • Quiet operation
• Fuel Gauge	• Lets operator monitor how much fuel is left
• AC Non-fuse Thermal Breaker	• Peace of mind • Added durability
• Lifting Eye	• Mobility

NOTE: Battery not included.

SPECIFICATIONS	
TYPE	BRUSHLESS, AC GENERATOR
MAXIMUM AC OUTPUT	4000 watts
RATED AC OUTPUT	3500 watts
RATED / MAXIMUM AC CURRENT	29.0 / 33.0 amps @ 120V 15.0 / 17.0 amps @ 240V

ENGINE	OHV, AIR-COOLED, FOUR-STROKE, SINGLE CYLINDER
DISPLACEMENT / HP	251cc / 8.5 hp
GENERAL	
OVERALL LENGTH	22.8"
OVERALL WIDTH	20.7"
OVERALL HEIGHT	22.0"
DRY WEIGHT	132.3 lbs.
FUEL TANK CAPACITY	4.8 gallons
CONTINUOUS OPERATION AT 1/2 RATED LOAD	10.6 hrs.
NOISE LEVEL	69.0 dBA
WARRANTY	1 Year Limited Warranty

Please read your Owner's Manual and all labels before operation.
